Intervention and Supports

Reported concerns are promptly examined and addressed by school leadership and educational staff. Measures, interventions, and restorative consequences are framed around progressive discipline, considering individual learner needs, age, mitigating circumstances, as well as current IEP or Safety/Behaviour Plans.

Standard Progressive Responses:

- Targeted educational tasks and reflective learning opportunities
- Supervised period of detention
- Facilitated peer mediation or restorative justice processes
- Referral to community agencies and support services
- Enrollment in Supervised Alternative Learning (SAL)

Response to Serious or Violent Incidents: In cases involving severe or violent conduct, administrative protocols escalate following provincial policy directions and Policy/Program Memorandum 120, potentially incorporating:

- Police notification and involvement
- Mobilization of Assessment of Risk to Others (ARTO/VTRA) procedures

- Formal disciplinary measures including suspension or expulsion under the Education Act
- Administrative exclusion from the learning environment pursuant to section 265(1)(m) of the Education Act

- Students who engage in bullying, who have been bullied or may have witnessed or been affected by bullying will be offered support which may include but is not limited to the following:
